SAKUYA, THESE ARE BEST SHOTS I'VE EVER SEEN OF YOU...

ARE YOU SURE?

I WAS WORRIED BUT THESE ARE WONDERFUL...

Hi there! I'm Mayu Shinjo!
How did you find the anime? Wasn't the opening theme is from Gay!
What?? This is old news? You already knew this? Sorry but I wrote this three months ago.
It is fantastic, isn't it? There's definitely going to be more unbelievably cool news next time About the theme song. during the pre production meeting, I suggested Gay for the opening.
Just after we started working with Toumita, Gay was confirmed. I was all "omg I can't believe it" because I'm not the kind of women who is able to say "GET ME GLAY RIGHT NOW" even if I want to! So I'm really glad they listened to me, thanks everyone, I'm so happy!
Plus, did you notice the name of Mr Inoguchi in the credits? Of course, it is THE same Mr Inoguchi every good fan of Gay's knows! Everyone, trust him, and he's practically my uncle! Why? Because he is Gay's manager :)
I was really happy to meet him, guess that's why I bothered on and on to him about how I went to Gay's special gig Anyway, he was really nice. Oh, did I tell you about the press conference? We even got a video message from Toru!!! Ow I was supposed to talk about it but I forgot! Toru was so cool, he said that he wanted to see the anime! I almost cry when I heard him!!! It is so wonderful, I'm still wondering if I'm dreaming or if it was actually true.

Editor's note: If you wish to watch the anime version of Kaikan Phrase, go to crunchyroll.com I personally wasn't able to stand it after awhile but I may try watching it again. Who knows. There were a lot of babies and a bunch of well known voices actors though. -OsanaOnji

About Feel.. This time we asked Feel the title of the song! It's "everlasting" It's great!!! Have you heard about it? Mr Ippei is a genius. I told him that I love their song "Blind love" and he called me a pervert!! Ha ha! Me, a pervert? NO I don't think it's my fault. I mean, look at him, his very existence invites perversion! He is so hot!! And his partner Mr Taizo is really nice too He is very wise. Before, he started playing gutar, he wanted to become a mangaka. Feel's guys are so generous! I had the pleasure of talking to them over dinner and it was cool. Everybody, please, check out Feel! You won't regret it! I'm really fascinated by them, so I listen to their song over and over again!

Once again, you can watch the anime on crunchyroll.com
Enjoy!! -OnnaOon

Ookouchi Sakuya

FROM SAKUYA !?

I HAVEN'T SEEN HIM FOR A WEEK...

I'm writing this letter at home. It's so strange, I've never noticed how big it was without you. Just because you left...

Are you getting along with your parents? Don't skip school anymore, ok? I know that my letter is too short, but I don't know what else to say, so I'll end it here. In fact, I'm not sure that I can express my feelings in a letter, and I have so many things to tell you, but I want to do it with my mouth, not with a pen... Anyway, I have to admit that...

Aina,
How many years has it been since I wrote my last letter? Will you forgive me if I'm rusty? I'm not really sure where to start. First of all, how are you doing? I'm sorry if I'm kind of tough to reach right now...

In fact, I've got a great project for Lucifer, so I spend my whole time in meetings and rehearsals, that's why I didn't answer your calls...

IS THIS HOW YOU FEEL ABOUT ME..

IT WAS SO WONDERFUL THAT YOU WROTE FOR ME...

Aine,
How many years has
it been since I
what a way last let

MISS AINE

I CAN'T BELIEVE IT! I'M SO HAPPY!!

Aine...
it's so lonely here without you...

SAKUYA !!

Aine...
it's so lonely here
without you...

PS Throw this away after you read it, ok?

HOW COULD I? IT'S OUR FIRST LOVE LETTER..

I'M GOING TO READ IT OVER AND OVER AGAIN...

EVEN HIS HANDWRITING IS BOLD... I WONDER IF HE BOUGHT THIS STATIONARY ESPECIALLY FOR ME...

TURN TURN

I KNOW!! I WILL WRITE HIM BACK!!

IT'S SHORT, BUT I KNOW HE WAS THINKING ABOUT ME WHEN HE WROTE IT...

Aine

Sometimes I feel like our story was a dream..

Life at home is really much the same as before we met each other

Especially when I see you and the team on TV I wonder if that man could really be my boy-friend.

UMM. DEAR SAKUYA ..

Sakuya,

Thanks for your letter I didn't expected it so I was surprised and pleased that you'd found time to write. I know you are busy I'll keep it, even though you asked me to throw it away. This letter is my treasure, so I will cherish it

Mum and Dad are trying to spend most of their time with me We do fight sometimes, but we mostly get along. I'm going to school as promised.

The next time we meet
hold me tight right away ok?
I need you so much
and I miss your warmth...

I watch all your TV shows, and
listen to the radio, too.. I can't
wait for your next song. Well,
I guess this sounds like a fan letter, sorry..

CHUCKLE

BAKA.

There are so many things I want to tell you,
but as soon as I pick up the pen,
I forget everything.

Ok then,—
I'm sure you're pretty busy
so I'll end this here.
Good luck with work,
and take care of yourself.

I COULDN'T

I hope
I will see you soon

I MISS YOU... I MISS YOU...
I MISS YOU.

Kaikan♥Phrase

I want to talk about **TRANSTIC NERVE** I've finally realised that I was listening to many songs, from many artists produced by Unumited Records. For example ZEPPET STORE... I don't know why, but it seems that their work fits perfectly to my ideas about Kaikan Phrase I really want to see them on stage They may be newborn bands, but they are really amazing! Especially the song "Ever free", I think it's a tribute album from **HIDE**

In the music video, Taka's clothes are wonderful. I know, I'm always talking about clothes.. He is really gorgeous and impressive. Are all TV programs "like that"? I was really surprised. That day was also the rehearsal of day's song " survival The beat is so fast! There were so many cameras.. five or six I think, and each had its own staff, who were spending their time moving and moving..and do this in a mini-studio! It was impressive, because as soon as the rehearsal ended, the staff began working on it! And you know what? The video was done really fast so I guess it's not a job for lazy people like me...

WE REALLY NEED THEM, HUH? ESPECIALLY A JAP TRANSLATOR ...

THAT'S TRUE. MOST OF THEM ARE IN JAPANESE OR CHINESE

BU-T, EVEN IF WE HAVE GREAT PROJECTS, WE'RE STILL SHORT ON TRANSLATORS.

As you can see, we're really short on translators especially japanese translators (well...to say...we have none..)_))

BUT we have great mangas and we are in dire need for someone to help us translate.

Kaikan♥Phrase ⑩

About Makoto..

He is really like Sakuya.. He is so hot! How did you guys find the opening and the ending?? He is always smiling, except when he is in front of a camera. Even when he isn't singing, his voice sounds wonderful. I think that he is one of those few amazing men left in our world.. I'm glad that I could work with all this great staff. Makoto also appears in many television programs so you will be able to see for real. Many people have tried to tell me he isn't that hot, or that he has a bad look. I disagree! Everything looks good on him, and eyes left me.. Breathless. Please, continue to support my work and Lucifer!
